As always: if you have a **Ring Conflict** walk with an earlier group, and work with the gate steward to move you. **Do not move your dog unless you have a Ring Conflict,** handlers with multiple dogs in the same class have been separated as much as possible.

COURSE WALK-THROUGH – Large classes will have split walk-thru. Please be sure to check the running order for your walk group.

COURSE MAPS - for each day will be posted each morning at the trial site. Course maps will also be posted on Agility Gate with the daily running order. NO INDIVIDUAL PAPER MAPS WILL BE AVAILABLE FOR COMPETITORS.

CHECK-IN -
USE THE AGILITY GATE APP ON YOUR PHONE TO CHECK YOURSELF IN.
We will use the Agility Gate App for check-in. There will be no physical check in sheets. To use the app, you will need to download the free app from the Appstore or Google Play. https://agilitygate.com/ If you can't use the app, you can check your dog in with the gate steward when you get ready to walk. Running orders will be posted ringside, and on the trial secretary's website for you to monitor your place in line. Walk-through breaks will be marked on the running order posted in the arena and in Agility Gate.

MEASURING

- All dogs needing to be measured MUST be measured BEFORE their first run.
- **Remember: Our Volunteer Measuring Officials are VOLUNTEERS.**
- For this trial we have one VMO, Terri Campbell. She will be measuring during the day when she is available.
- Our VMO, Terri, is also running dogs at the trial, so please arrive in plenty of time to have your dog measured. And don't forget to thank your VMO!
- Fill out your form, provided at the measuring table, before bringing your dog to be measured.
- **DON'T FORGET TO HAVE YOUR DOG'S REGISTRATION NUMBER AND D.O.B. HANDY.**
- The score table crew including the trial secretary is fully occupied entering your Qs--and possibly NQ's, but as long as we had fun right… 😊 — we just don't have time to look up your information. Make a note in your phone of your dog's registration number and dob before you leave! (This tip is free of charge!) Insert another smiley face here!

It is YOUR responsibility to have your dog measured prior to your run, when a VMO is available.

SCORING
There will be monitors available to check your scores/placement near the scoring table.

RESULTS will be posted by the ribbons. The Move Up-sheet will also be by the ribbons.

RIBBONS - will be available for pick-up at the trial.
This is how it works: After the judge has reviewed all scribe sheets and catalog pages for your class (or height group for Masters/Excellent) we will release individual printed ribbon labels. You will then be able to come to the Awards area and make your own ribbon(s) using these printed labels. We will try to have the labels out as soon as we can, but please be patient -- remember that the AKC requires extensive review of the results by judges before ribbons can be made available to competitors.
TITLE RIBBONS - In addition to rosettes for placements and qualifying flat ribbons, we will have new title ribbons and MACH/PACH AGCH ribbons and bars.
Ribbons will NOT be mailed to you after the trial; you must pick them up by Sunday or they will be recycled.
