## ENTRY REQUIREMENTS FOR INTERNATIONAL SWEEPSTAKES CLASSES (ISC)

The international sweepstakes class (ISC) is a non-regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various international style Standard and Jumpers With Weaves courses. The rules for This class are generally based on international rules. The variety in international agility Course designs is very diverse, so handlers should be prepared to meet the "Challenge Of The Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in excellent/master Class. Complete rules for ISC are available from AKC's website (<http://www.akc.org>).

**Eligibility:** This class is open to dogs that are eligible to compete in AKC agility trials.

**Jump heights:** Dogs may be entered in their regular jump heights, however, only those dogs running in the 12" & 16" class that meet the FCI/ISC measuring cutoff (different than regular AKC Cutoffs) or any dog entering the 24" jump height will be eligible for the direct invitation to World Team Tryouts.

**The FCI/ISC cutoffs** for those heights are as follows:

- 12" - Small team – shoulder height = 13 3/4" or less (35 cm is the FCI cutoff)
- 16" - Medium team – shoulder height = 16 7/8" or less (43 cm is the FCI cutoff)
- 20" - Intermediate team – shoulder height = 18 7/8" or less (48 cm is the FCI cutoff)
- 24" - Large team – shoulder height = greater than 18 7/8" (greater than 48 cm)

## OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place indoors on artificial turf. Ring size is 120x130. We will be using 24" weave poles, rubberized contact equipment, and breakaway tire.

## RIBBONS, AWARDS, AND PRIZES

Rosettes or ribbons will be awarded to first through fourth place in each jump height division. Only qualifying scores are eligible for ribbons.

## AKC REGULATIONS FOR AGILITY TRIALS

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>.

## NOTICE TO EXHIBITORS

### SAFETY, BEHAVIOR and LIABILITY

**The safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

**It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the event committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Yorkshire Terrier Club of the Carolinas and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children.

Dogs under 4 months of age are not allowed at this trial. Entry fees will not be refunded in the event that the dog is absent, disqualified, excused, or barred from competition by action of the Event Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Exhibitors are responsible for being at the ring gate when it is their turn to run. No classes will be held up by a late exhibitor.

**Yorkshire Terrier Club of the Carolinas** reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the **Yorkshire Terrier Club of the Carolinas** or any official thereof.

**All dogs must be on leash** at all times when on trial grounds except when in the designated warm-up area or competing on the course.

Exhibitors are responsible for cleaning up after their dogs. Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

***This club agrees to arbitrate claims as set forth on the Official AKC Entry Form for this event.***

## WALK-THROUGHS AND Warm-Up INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only and will be limited to a maximum of 25 handlers. Handlers with multiple dogs/conflicts: Tell the gate-steward if you need to move your dog, they will help you manage your conflict.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

RINGSIDE - Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

## ENTERING FOR EXHIBITION ONLY (FEO)

FEO will be offered at this trial. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all AKC classes offered. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
  - Toys must be non-audible
  - Toys may not leave the handler's hand
  - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

## FIX AND GO ON

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run. Judges can stop a run at any time

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

SIGNATURE of owner or his agent duly authorized to make this entry.
