Bitches in Season - May run at this trial. To be able to run a BIS, you must immediately tell the trial secretary, who will mark BIS on the running orders. It is the handler's responsibility to ensure the mat is available for their runs. **The handler/owner acknowledges the inherent risk of running a dog on an agility course with BIS pants on and assumes all risk by doing so, and also the potential risks with slips from starting from a mat.**

Measuring Dogs

Please ensure you understand the criteria regarding dogs being measured. Refer to the current edition rule book which can be found on the UKI web page. [UKI 11th Edition Rule Book.pdf](#) A summary of the rules can also be found here [Jump Heights | UK Agility International](#)

If a dog is under 3 and newly registered, a temporary measure or proof of the dog's height must be done by the dog's 3rd trial. A permanent measure must be obtained by a UKI official measurer between 12-18 months after the dog's first/ temporary measure. Any registered dog that only has a temporary measure, must follow the above rule. If a newly registered dog is over 3, they must obtain a measure by an official UKI measurer by their 3rd trial and this measurement will be permanent.

Level Move-ups

Exhibitors are responsible for tracking their dog's points in each of the two UKI programs and must move their dog to the next eligible level on the following day of a multiple-day trial once sufficient points have been earned. Competitors must notify the trial secretary on the day their dog gains enough points to move up in a particular program. Exhibitors may log into their UKI account to confirm and tally points. Please consult the UKI rule book for detailed information on level requirements.

UKI officials, after further investigation, may impose sanctions including suspension or expulsion from future events.

The following is a partial list of infractions on which the judge or trial officials will take action: Abuse of a dog on the grounds; actions that may have the appearance of abuse of a dog; wilful misconduct or interference with a competitor's right to show; any acts of poor sportsmanship; violation of procedural rules; compulsive, correctional training on the grounds; wilful misrepresentation on entry forms; wilful misrepresentation of animals; dog aggression; failure to exercise diligence in the control of the behavior of their dog including a dog clearly not under the control of the handler; concerns for the welfare of a dog or who is unfit for competing; intimidation and/or impolite confrontation of judges, event officials, event helpers, or other competitors; creating excessive delays as a failure to respect the authority of event officials.

Entries will not be accepted, changed, or altered after the closing date or capping level has been reached except for the purpose of moving to a higher level. A full refund is available for any membership that is not older than 14 days from the date of account creation. A full refund is available before the closing date or capping level is met for any show. There will be no cost if refund money is to be left in your UKI account. If a refund is requested, a 5% administration fee for a credit card refund will be assessed, per transaction. After the closing date, a partial entry may be available for extraordinary circumstances, but this lies with the individual show management based on their own policies. Payment of Entry fees

Payment of online entry fees and Instant Account Top up Fees (administration fee for online account payments) must be made directly to the UKI member account or directly to the trial before a competitor may compete. PLEASE BE AWARE – at the closing date of entries, if you are paying by check, your account balance under “My Account” will show as \$0.00 USD. A note will confirm that you are paying the trial directly. This enables you to enter and pay for other trials online. If you have a \$0.00 USD zero balance display on your UKI Home page, it does not constitute a cancelled entry. Only you are responsible to cancel your entry online by going back into the show you entered and clicking CANCEL MY ENTIRE ENTRY. UKI will not cancel any entries. If in doubt, you must check your entries from the My Entries link as well as reviewing your account transactions. If you have not cancelled your entry as above before the closing date, you are still responsible to pay the entry fee.

Additional administration charges may be imposed to a member's account due to negligence that result in administration time to correct. Possible infractions, not limited to, are submitting incorrect trial entry information, including incorrect handler and dog number, creating duplicate membership or dog accounts and late payment fees.

Masters Series Tournament Rules

The aim of Masters is to encourage more competitive running in UKI classes and improve the overall standard of top level agility. The Masters has been created for dogs and competitors whose goal is to compete at both National and International level.

General Rules

Open to all UKI level dogs including Select heights. Separate competition for each height. Agility and Jumping rounds with results combined. Handlers must run in strict running orders, failure to do so will result in elimination. Either Agility or Jumping classes may run first. If a handler has 2 dogs entered within a jump height, they may move their first dog up so that there are as many dogs as possible between their dogs. If this is not possible, they will receive a 6-minute break. If a handler has more than 2 dogs within a jump height and the entry is not large enough for a sufficient gap in between all their dogs, the first of their dogs drawn will be allowed to run in between a jump height change, if a jump height change is available before their height. If it is not, the final decision will be made by the judge and show manager, taking into consideration fairness to the competitor and other entrants in the Masters Class. Day of Entries must run first within the running orders of the first class. The second class must run in reverse order of placing from first class. The dog must run in the height that he will compete at in the Masters Final. The same dog and handler must run both rounds. Only the handler who qualifies the dog through a Masters Heat, may run the dog in the US Open Masters Final. Any extraordinary circumstances to be ruled by UKI.

Scoring

Standard UK Agility Marking will apply. Faults converted into seconds. 5 faults = 5 seconds. Time faults treated the same as course faults. An elimination = 100 faults plus 60 second course time. An absent or NFC run = 1000 faults with a 60 second course time. Dogs with an absent or NFC run in either the Agility or Jumping will forfeit any Qs or awards gained in the other round; in other words, both rounds must be run for competition. Dogs with double elimination will not be placed. An E in the individual round will not be placed in that round. Dogs with the lowest score will be deemed the winner. In the event of a tie, the Agility result will be the deciding factor, followed by the jumping result. If a tie still remains, a runoff will be required. If there is a tie for the Individual class wins, a runoff will be required on that course to determine the winner and subsequent placings.

Final Qualification: 2 ways to qualify for the Final to be held at the UKI US Open:

A. Individual Winners (per height) of the Masters Agility or Masters Jumping class (even if an E is earned in the other round).	B. 1st & 2nd Overall (per height) (even if an E is earned in one of the rounds).
---	--

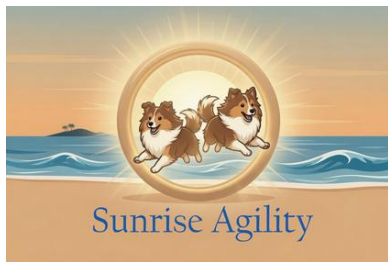

Prizes:

Of the Prize entry fee; \$5.00 is placed in heat prize fund. Each height has its own prize fund and will be divided as per Masters "Prize Money Guide". Prize fund is for overall winners only. \$1 from each entry fee will be split & placed in the Final prize fund and Team USA WAO fund. In the event there is not a monetary winner within a height, the prize money will be sent to UKI to go towards the Final prize fund.

- **CHECK-IN:** There will be no sign-in sheets. We will be using the Agility Gate app for competitors to check in online.
- **WALKTHRUS:** Based on entries, we will limit the number of people on the course at one time.
- **WARM UP JUMP:** Warm up jump will be placed at least 20' away from the ring.
- **RUNNING ORDER:** Running order may be adjusted to minimize number of competitors in the ring during walk thrus. A copy of the running order will be posted away from the gate to avoid congregating around the gate area.
- **WORKERS:**
 - Workers are always appreciated. Let's see who our next Pin ChamPIN will be. Workers with the longest string of safety pins at the end of the day will win a special gift. Better yet, they will win bragging rights and their name on our board for Pin ChamPin of the day!!
 - We will be having a worker raffle – each class you work gets you a raffle ticket to win future runs at any of our trials.
 - Worker bucks will be given to workers to be used for the food vendor, massage vendor or future entries.
- **VENDORS:**
 - Food: The Sunday Diner will be delivering lunch Saturday and Sunday. The Sunday Diner will send a link to a Google Doc a few days before the trial where competitors may order from the menu the Diner has provided. Competitors are responsible for paying for their lunch, worker bucks can be used. Please bring cash if you would like to order lunch. Zelle can be used for lunches. See payment table at trial for info. The club will not have a way to take credit or debit cards. Lunch orders will have to be in by 9:00 each morning. The Sunday Diner has agreed to pack each order separately with names to make it easier for us. The Sunday Diner owners and workers are a wonderful bunch and have truly worked hard with us to find a way to provide food in the most convenient way possible.
 - Additional Vendors will be announced in the Trial Information
