The running order will be posted on Tuesday April 14.

The estimated timeline should help you plan for when you will be walking your course, and to sign up to volunteer. Please note that the timeline is an ESTIMATE only, and the trial can move considerably faster or slower than the time-line indicates. **Please be at the trial site, at least 90 minutes before your first scheduled walk-through. Judges are not required to wait for dogs.**

MEASURING:

We will have 2 VMOs at the trial. Any entered dog that needs to be measured MUST be measured before their first run of the day. Remember: Our Volunteer Measuring Officials are VOLUNTEERS, they also run their dogs at the trial. Please arrive at least an hour before your first scheduled walk-through to allow for enough time to have your dog measured. You need to pick up a measuring form by the measure table and fill it out BEFORE bringing your dog to be measured. Don't forget to have your dog's Registration number handy!

COURSE WALK-THROUGH –Be ready to arrive for your walk-through shortly after the previous class/height has finished.

COURSE MAPS – will be posted at the trial site each morning once the judge has arrived with the course-maps.

We will not have individual maps for distribution.

SCORING, POSTING, QUESTIONS: Scores will be posted in notebooks near the awards table.

Results will also be posted on the trial secretary's website at the conclusion of the trial.

AWARDS: Ribbons are self-service. This is how it works: After the judge has reviewed all scribe sheets and catalog pages for your class (or height group for Masters/Excellent), we will release individual printed ribbon labels. You will then be able to come to the Awards area and transfer your labels to the back of ribbons. We will try to have the labels out as soon as we can, but please be patient -- remember that the AKC requires extensive review of the results by judges before ribbons can be made available to competitors.

In addition to rosettes for placements and qualifying flat ribbons, we will have new title ribbons Double Q ribbons, and MACH and PACH ribbons and bars. IF YOU MAY EARN A MACH/PACH AT THIS TRIAL, please let Joan or Norm Williams at the ribbons table know as soon as possible.

Ribbons will NOT BE MAILED to you after the trial; you must pick them up by the end of the trial on Sunday or they will be recycled.
